## Special or unusual conditions and terms of this policy

The policy comes with some important conditions and terms that you need to be aware of:

### Prospects of success

We will make our decision on whether to cover your claim based on a legal opinion from your representative (and any professional advice we regard necessary) on whether your claim has at least a 51% chance of:

- Successfully pursuing your case and securing a legal and/or financial remedy
- Not being found liable in a civil (not criminal) case against you
- Being found not guilty in the defence of a criminal prosecution
- Securing a significant reduction of your punishment or fine in a criminal prosecution
- Successfully appealing the decision of the relevant authority

If there is 50% or less chance of the above we will not provide cover.

### Liquidation

If you are placed in liquidation, receivership, administration or bankruptcy or enter into a voluntary arrangement of any kind or if any application is made to the Court or a meeting held for these purposes, this policy will automatically terminate. If this happens, cover for costs and compensation will be automatically withdrawn and costs incurred or compensation awarded after the date of withdrawal will not be covered.

### Defined terms

Some of the words we use have a specific meaning, these are highlighted by showing them in **bold** print. Please see the **Defined terms** section to see what these words mean.

## Claims conditions

There are conditions contained below which must be complied with or met for **us** to provide cover under this **policy**.

### How and when to make a claim

The contact details for The Claims Department can be found in the **Welcome page** of this **policy**

**We** will only cover **claims** that **you** tell **us** about during **your period of insurance**.

**You** must tell **us** as soon as possible when **you** become aware of any cause, event or circumstance which does or may involve **you** and which has given, or may give rise to a **claim**, dispute, legal proceedings or tax investigation.

Where **we** have accepted notification as described above, **we** will treat any later **claim** regarding that notified cause, event or circumstance as though the **claim** had been notified during the **period of insurance**.

**We** will send **you** an insurance claim form that must be completed and returned as soon as possible.

### When we will agree to cover your claim

#### Consent

**We** will only cover **claims** where **you** have obtained **our** consent in writing before incurring any **costs**. **We** will give **our** consent for **you** to incur **costs/compensation** provided that **you** can satisfy **us** throughout **your claim** that:

- It is reasonable and proportionate (in relation to **your claim**) to incur **costs/compensation**
- There are **reasonable prospects of success**, other than **Interview under caution**

If during the course of **your claim** **you** can no longer satisfy **us** of the above, cover under this **policy** for **costs/compensation** will be withdrawn and no **costs/compensation** on or after the date of withdrawal will be covered, whether **we** previously agreed to them or not.

**We** will make **our** decision on whether to cover **your claim** based on:

- A fully completed insurance claim form
- The information and documentation **we** reasonably request
- A legal opinion from **your representative** on whether **your claim** has **reasonable prospects of success** and any professional advice **we** regard necessary

If **your claim** is accepted by **us**, it does not always mean that all **costs/compensation** will be paid, for example **we** will not pay for things that are not directly relevant to **your claim**. **We** may also limit any cover **we** provide by time, amount or to a specific stage of legal proceedings in order to allow **us** to review **our** continued acceptance of **your claim**.

If after accepting **your claim**, it is shown that **your claim** has not been brought within the terms and conditions of the **policy**, no further cover will be provided and **we** will recover from **you** any **costs/compensation** **we** have paid.

#### Counsel's opinion

At **our** discretion **we** may also require **you** to obtain a legal opinion from Counsel at **your** expense to satisfy **us** that there are **reasonable prospects of success** and it is reasonable and proportionate (in relation to **your claim**) to incur **costs/compensation**.

If based on Counsel's opinion **we** are satisfied in respect of the above the reasonable cost of obtaining that opinion will be paid by **us** subject to the **excess** and the limits shown in **your policy** schedule.

#### Claims rejected due to a lack of reasonable prospects of success

If **we** rejected **your claim** solely due to a lack of **reasonable prospects of success**, **we** will pay **costs/compensation** that are reasonable and proportionate to the legal and/or financial remedy achieved, subject to the terms and conditions of

this **policy** if:

- **You** proceeded with the legal action which formed **your claim** to its conclusion with a Court, Tribunal or equivalent having issued a judgment (excluding any settlement, mediation, alternative dispute resolution or equivalent resolution process) and were successful
- **You** were defending, the judgment found **you** were not at fault
- **You** were pursuing, the judgment awarded **you** the remedy **you** were seeking at the time **we** rejected **your claim**
- **You** tell **us** about it as soon as possible

## Settlements

**You** must inform **us** as soon as an offer of settlement is received and **you** must obtain **our** consent before **you** make or respond to any offer of settlement.

In any settlement **you** must:

- Take into account the prospects of the case and likely future **costs/compensation**
- Try to recover as much **costs/compensation** as possible

If **you** unreasonably reject an offer of settlement which **we** recommend acceptance of or make an offer which **we** do not agree with, no further cover will be provided and **we** may seek to recover from **you costs/compensation we** have paid.

At **our** discretion, instead of covering **you** for **costs/compensation**, **we** can choose to pay:

- The damages **you** are likely to be awarded by a Court or Tribunal or
- The amount of money being claimed against **you** or the amount of money the other party will settle for, whichever is the lesser

If **we** choose to do this, then **your claim** will end and no further payments of **costs/compensation** will be made.

During a **claim** under **Data protection defence** and/or **Data protection compensation** of this **policy**, **we** can require **you** to offer to pay an amount of money to the person **you** are in dispute with, if **we** have agreed to cover that amount as **costs/compensation**.

## Co-operation

**You** must co-operate with **us** and **your representative** at all times during the course of **your claim** this includes:

- Allowing **us** and **your representative** to communicate directly with each other about **your** case
- Providing a full and truthful account of **your** case and with all necessary documentation or evidence
- Attending any meetings as required
- Instructing **your representative** to provide **us** with information, documentation or evidence **we** require (even if privileged) and regular updates including when anything negatively affects the factors **we** took into account in accepting **your claim**.

## Recovery

If the outcome of **your** case is that another party is found responsible for reimbursing **you** for some or all of **your costs/compensation**, **you** and **your representative** must make every effort to fully recover those **costs/compensation** which **you** must pay to **us**.

If the legal case was settled and the terms of the settlement do not specify the split between damages and costs then a fair and reasonable proportion of that settlement will be treated as **costs/compensation** and paid to **us**.

If costs are recovered from the other party then that money will be repaid to **us** first until all **costs/compensation** have been repaid.

## Payment

A copy of all invoices for **costs/compensation** **you** receive from **your representative** should be forwarded to **us** within

30 days of the date the invoice was issued. If **we** require, **you** must ask **your representative** to send the costs for assessment by a Court or Tribunal or to a costs lawyer of **our** choice.

**You** are responsible for the payment of all **costs/compensation**. **We** will reimburse **you** for the **costs/compensation** subject to the **excesses** and the limits shown in **your policy** schedule. **We** may settle these **costs/compensation** directly if **we** choose to do so.

## Appeals

If **you** wish to appeal against the judgment or decision of a Court or Tribunal or if there is an appeal against a judgment that is in **your** favour, **we** will consider providing further cover if:

- **We** covered the initial legal proceedings that are being appealed as a **claim** and cover was not withdrawn
- The grounds for the appeal were submitted to **us** as soon as possible and before any deadline set by the Court or Tribunal

If **we** require, **you** must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

## Instruction and choice of your representative, Counsel and experts

In all cases **your representative** will be appointed in **your** name and on **your** behalf.

### Freedom to choose your representative

**You** will have freedom to choose **your representative** if:

- there is a legal conflict of interest between **you** and **us** and
- at the point of legal proceedings or an inquiry

subject to **us** approving **your** choice, in these circumstances, see **your policy** schedule for details.

In a tax enquiry or any **claim** where **we** may be liable to pay **compensation** **we** will choose a **representative** to act on **your** behalf.

In all other circumstances, **we** will choose a **representative** to act on **your** behalf.

When selecting **your representative**, **you** must have regard to **your** duty to minimise the cost of any **claim**.

The name and address of **your** chosen **representative** must be notified to **us** in writing. **We** will accept **your** choice if:

- **We** are satisfied that **your** chosen **representative** will co-operate with **us** and enable **you** to comply with the terms and conditions of **your policy**
- The **representative** has the necessary experience to deal with the dispute
- The **representative's** charging rates are fair and reasonable in regard to the dispute

A dispute arising from **your** choice of **representative** may be referred to arbitration in accordance with **Complaints about the policy**.

**You** must not enter into any agreement with **your representative** as to the basis of calculation of **costs** without **our** written consent.

If in any **claim** **your representative** wishes to instruct Counsel or an expert the following must be submitted to **us** for **our** approval:

- The expert's or Counsel's name
- Details of their expertise
- Charging rates and estimated cost
- An explanation of the need for such instruction

## Important information

If any **claims** covered under this **policy** are also covered by another policy, or would have been covered if this **policy** did not exist, **we** will only pay **our** share of the **claim** even if the other insurer refuses the claim.

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat this **policy** as if it never existed and decline all **claims**.

If **we** establish that **you** carelessly provided **us** with false or misleading information it could adversely affect **your policy** and any **claim**. For example, **we** may:

- Treat this **policy** as if it had never existed and refuse to pay all **claims** and return the premium paid. **We** will only do this if **we** provided **you** with cover which **we** would not otherwise have done
- Amend the terms of **your policy**. **We** may apply these terms as if they were already in place if a **claim** has been negatively affected by **your** carelessness
