#### **Endorsement 4 Permanent Partial Disablement**

In the event of an Insured Person suffering permanent disablement as a direct result of Accidental Bodily Injury, We will pay a percentage of the benefit provided for Permanent Total Disablement depending on the degree of permanent disablement. Benefit for specific disabilities are:

Permanent severance or permanent and total loss of use of

- A foot below the level of the ankle (talo-tibial joint) 50%
- A hip, knee, ankle or thumb 20%
- A forefinger or big toe 15%
- Any other finger 10%
- Any other toe 5%
- The back of spine below the neck with no damage to the spinal cord 40%
- The neck or cervical spine with no damage to the spinal cord 30%
- A shoulder, elbow or wrist 25%
- Any permanent disability which is not covered by Capital Benefits or any of the benefits above up to a maximum 100% of the Permanent Total Disablement benefit. Any permanent disability under this item will be assessed by considering the severity of the disablement in conjunction with the stated percentages for specific types of permanent disablement stated above. The occupation of the Insured Person will not be taken into consideration during assessment.

When more than one form of permanent partial disablement results from Bodily Injury the percentages will be added together We will not pay more than 100% of the Permanent Total Disablement in total.

If a claim is made for Capital Benefits then a claim for permanent partial disablement cannot also be made.
