Football & Youth teams

Group personal accident insurance for affiliated football teams

For the 2023/24 season team personal accident insurance will be provided as part of the County FA affiliation process

What is personal accident insurance

If you become injured whilst participating in a club activity, you can incur significant financial losses as a result. Personal accident insurance can help offset some of these unexpected expenses.

This insurance can pay out a set amount if someone is injured in an accident and the pay-out can be a lump sum or a weekly amount. It ensures all participants have protection in the event of an injury and because this is a “non negligence” cover it can help reduce litigation in the game, because unlike a liability policy you do not have to find someone to be at fault for an injury to receive compensation

How do I arrange this cover?

Clubs have the choice of cover for their registered teams as detailed within this policy summary to meet their own requirements.

Once affiliation has been completed your Association will issue the documentation to all eligible teams confirming the cover in place via the group policy.

Qualifying teams include: Adult 11 a side, Small Sided, Disability, Vets and Youth.

Further details of this policy can be found overleaf. As this is a summary of cover it does not include all the policy benefits, limits and exclusions. Full terms, conditions and exclusions are shown in the policy document, a copy of which is available via the Platform For Football member portal, online at marshsport.co.uk/ngis or upon request.

Option to upgrade the cover

Details of the personal accident cover provided can be found in this document. The team benefits can also be enhanced to include things such as:

- Increased broken bones.
- Physiotherapy.
- Higher Life Benefit

When does the policy start and finish?

Although this can be purchased insurance at any time, your cover will not start until 1 July 2023 (or later if you apply after 1 July). All policies, whenever bought, will expire on 30 June of each given year and will be renewable from 1 July. This is to fall in line with County FA affiliation processes.

Other Information

The Capacity in which are acting

Policy Type	Our Market Search	Who We Are Acting For	Delegated Authority
Team Policy & Additional Cover	We only use AXA XL Underwriting Agencies Limited and AXA XL Insurance Company UK Limited for this cover	In sourcing insurances for you and in the event of a claim, we act as your agent. In placing insurances for you we normally act as your agent. Should you instruct us to proceed and place this insurance, Marsh Ltd has a "delegated authority" granted by the insurers which means that it acts as agent of the insurer and has authority to accept insurance risks and issue documentation (in accordance with agreed terms) on their behalf. We can only place this business under a delegated authority where we reasonably consider that this meets your insurance requirements.	Yes

Personal Accident Insurance is not an income Protection Policy

Please be aware that the monthly benefit provided (if included under the policy purchased) in respect of Temporary Total Disablement (TTD) is not designed to replace usual income in the event of being unable to work. The monthly benefit is to provide additional financial assistance in the event of being off work, or for students who are not in gainful employment, as the result of an injury during the operative time of the policy.

Notify Your Members

It's good practice to consult with your players and officials to consider all the options available before selecting an appropriate level of cover.

Once a policy is purchased, we would recommend making them fully aware of the extent of the cover in place (we include a useful poster with our policy pack for this very purpose).

This will help educate your members and also provide an opportunity for any individuals who may wish to purchase their own additional insurance protection to do so.

This can be particularly useful if they are, for example, self-employed and may wish to consider an income protection policy that could also cover sickness and provide 24/7 cover, not just from football activities.

Important Notes

The standard age limit for players is 55 and for club officials is 75 years of age. The age limit for Walking Football teams is increased to 80 years of age for walking football players and officials.

If you have any players and officials above these age the policy will automatically provide a reduced level of cover.

Life cover will commence at attainment of 6 years of age and will cease at attainment of 50 years of age.

- TTD = Temporary Total Disablement (a monthly benefit).
- The TTD benefit does not apply to those individuals without paid employment or who are employed less than 16 hours per week or whose sole employment is football.
- There is no cover for professional footballers.
- Aggregate limit £2,000,000. This is the maximum amount that the insurer, AXA XL, will pay per event in total under this and any other policies issued by AXA XL Underwriting Agencies Limited and AXA XL Insurance Company UK Limited.

Please see our website or contact Marsh Sport for details.
